

# VIKING NAVIGATORS

Discover the secrets of Viking Navigators from Lena Lisdotter Børjesson from the Fosen Folk High School in Norway

Lena Lisdotter  
Børjesson

Make a Viking Sun  
Compass

Learn about the  
amazing sunstone

Lena is a teacher at the Fosen Folk High School in Fosen, Norway. The school teaches practical knowledge to live a more self-supporting, self-helping, and sustainable life. Sailing open Viking inspired boats is a key component of the school activities.

Lena has sailed in the Black Sea and around the Northern Cape of Norway. She navigates the viking way with a suncompass in her hand.

The event consists of a public talk and an exclusive workshop aboard POLARIS

An event Hosted by Norsvald and Maritime Gloucester. Proceeds go to Maritime Gloucester.

## Be a Viking! Find your way!

**Cost:** \$20(talk)

Workshop \$xxx
